

*We can all keep the air cleaner by
not idling our cars when we don't need to!*

DRAW a cartoon about places where people
might idle their cars or trucks and how you
could POLITELY ASK them not to idle their vehicles.

*This is a Public Service Message from:
the students at _____*

We Care about Clean Air

**Clean Air Zones
Protect Our Health**

IDLING means..

We think that air pollution is bad for us because:

We learned that we can help keep our air cleaner by:

Cars we observed
idling at school
on _____
(date)

<u># Cars</u>	<u>#Mins</u>
---------------	--------------

Air Temp: _____

So, please, help us to protect our air and our health from pollution!
